

*Welcome to the*  
**STRIDER™**  
**RUNNING BIKE**  
*Information Pack*

We have compiled a number of files that will be helpful to you in learning more about the new Strider™ running bikes and in spreading the word to others. In addition to this printed pack, all of this information is available for download at [www.stridersports.com/rep-downloads.html](http://www.stridersports.com/rep-downloads.html). Here's a quick rundown of what we've put together for you:

- Press Release: a brief introduction to the Strider™ running bike
- Summary of Strider™: an in-depth look at the Strider™ running bike
- FAQ for Strider™: responses to typical customer questions
- Marketing flyer: a full color Strider™ flyer with a spot for write-in info
- Instruction sheet: a quick look at assembly instructions
- Spec sheet: basic bike specs and box dimension
- Miscellaneous photos and graphics (available online)
- Help Us Help You... the Strider Sports Blog!

On the DVD, we have a great video that will make you smile as you watch little, little kids (1-5 years old!) riding over all sorts of terrain and learning the art of balancing on two wheels. It is truly amazing what kids can do when given the “right tool for the job!”
